PROFESSIONAL BIO

I am an experienced elementary educator dedicated to creating a safe, positive, and engaging learning environment where all students can thrive. My instructional practice emphasizes rigorous, standards-aligned, data-driven lessons that are responsive to individual needs. I design personalized, inquiry-based learning experiences grounded in hands-on problem solving and real-world relevance to foster deep understanding, learner autonomy, and critical thinking. As a collaborative team leader and certified Lead Teacher, I bring extensive experience differentiating instruction for diverse learners, partnering with families, and contributing to reflective professional communities committed to continuous improvement and student growth.
